

Electrical Products

Graybar.
works to your advantage

1-800-GRAYBAR
(During Normal Business Hours or
After Hours for Emergency Service)
www.graybar.com

Supplier Listing

Look no further than Graybar for electrical solutions. Select quality products from thousands of suppliers. Plus, Graybar offers these distribution services:

Supply chain management solutions

Dependable local inventories

Product sourcing

Market-specialized sales and service

Quick, convenient counter and will-call service

Graybar Project Management Services

Emergency service 24/7

Product quality you can trust

Quotation and credit services

Quality service — ISO 9001/2000 Registered

E-Business Services

- Web Order Management
- Electronic Catalog
- Electronic Estimation
- Electronic Procurement

Summary billing

Bar coding

Automation solutions to power and network diverse platforms from the factory floor to the executive suite

Simplified leasing and financing through Graybar Financial Services® (GFS)

Government service provider under GSA SAMS Schedule #GS-07F-0214M and IT Schedule GS-35F-0374M. Visit www.graybar.com/gov.

To learn more about these and other services, call Graybar today —
